Dear Mr. Wheeler,

NP/06/076 Bettws Newydd

This Council totally shares the anger felt by many of the people we represent at the decisions your Authority has taken over the new huge house built on the very prominent site of the late Mr. Williams' modest home - Bettws Newydd.

Your recent granting of final approval for the new house to remain - even though it does not comply with the approved plans and conditions - has shocked and surprised us all.

On behalf of the residents of Newport we now want a thorough investigation into how this very large blot on the landscape - which we are going to have to live with - was allowed to be built on such a visually important site.

We await to hear from you.

Yours sincerely,

Clerk - Newport Town Council.
