Dear Ifor,
Bettws Newydd, Newport

On behalf of the Bettws Newydd Opposition Core Group, I am writing to tell you that we broadly welcome the proposed Enforcement Notice on Bettws Newydd as set out in paragraph 4.3 of the current Officers' Report to the Development Management Committee.

Whilst we understand your recommendation that, in the first instance, an approach be made to the owner to invite him to explore whether the development can be modified to bring it in line with the 2006 permission and/or to remedy the harm to amenity, we hope that you will be recommending a time limit for this to the DMC.

We wish to point out that we do not agree with some important assumptions and figures in the Report itself.

We would like to be given the opportunity to study the actual consultants' statement and ask that a copy be made available to us, if possible before Wednesday's meeting.

Yours Sincerely

Reg Atkinson,
Chairman, Bettws Newydd Opposition Group.
